

# VIRGINIA FEDERATION OF REPUBLICAN WOMEN

## LEGEND

### The Story of the Seal Adopted March '72

*Designed around symbolic WOMAN - who through the centuries has stood for courage and loyalty - intelligence and dependability - unity of home & nation.*

*She proudly hold high - protects and defends the flag of the United State of America. The background of blue is for the Commonwealth of Virginia flag.*

*Her shield carries the honor & heritage of the Commonwealth of Virginia where the VFRW women are a recognized political force in the Republican Party - particularly in campaign activities.*

*VFRW women signify a pillar of strength of dedication to the politics and objectives of the G.O.P. in the precinct - the State - and the Nation.*

*Her helmet signifies the ability to rise to challenge - and to further the VFRW - to abide by its laws - to promote with spirited pride the aims & goals of the Republican Party - to work to insure the election of Republicans - while at the same time her bare feet depict humility and honesty.*

*She stands within a white circle of integrity, unity, and purpose.*
